The Eximm team are proud to announce the commencement of Blake Goodman

Eximm was founded by Garry Goodman approximately 20 years ago and it is now fitting that a second generation enter the business to help take this well known Gold Coast/National business into the future.

Blake finished at Gold Coast school St. Stephens College last year, and has undertaken his Diploma in Business and recently obtained his security licence. Under his dad's direction, Blake is starting work in the business from ground level and will work over the coming years to learn all its facets.

Like his dad, Blake's passion for business is evident and the Eximm team are excited to be working and growing with Blake over the coming years.
