

SOUTHPORT SHARKS SECURE THE FUTURE WITH EXIMM

Security is a high priority for Southport Sharks. The club has recently joined forces with well renowned Security Provider on the Gold Coast, TCP Crowd Control (Part of the Eximm Group).

Eximm's professionalism and strong sense of commitment to the safety of Southport Sharks visitors and supporters coincides with its shared passion for junior sports within the community. Eximm are proud to be assisting such an outstanding Gold Coast sports and events facility with its security requirements.

Eximm look forward to solidifying the mutually beneficial business relationship with Southport Sharks leading into the Commonwealth Games and beyond. We highly recommend visiting the newly rebranded venue to experience the Sharks hospitality and the exciting new changes taking place, including the addition of the Mantra at Sharks Hotel.
