Get ready for The Games now...

Whether you're heading away for the Gold Coast Commonwealth Games, or getting ready to enjoy the party, it's time to start getting serious about security.

The Bureau of Statistics confirm that Queensland recorded the 2nd highest number of robbery victims with an increase of 17% contributing to the national 5% increase from 8,968 to 9,403 in 2016.

While burglary is a year round issue that affects both home and business owners, we know from experience that times of distraction like holidays and the Commonwealth Games are a prime time for theft.
