

McElrea adds to win tally at Queensland Raceway

Eximm sponsored driver; Hunter McElrea, was able to continue his climb up to the top of the Australian Formula Ford Series standings this weekend, getting his 3rd win for the season at the Queensland Raceway Track.

Eximm congratulates Hunter on his 3rd win this season!

The weekend started with tricky conditions in practice and qualifying on the Friday, and Hunter secured 4th position in qualifying after sitting 2nd in practice.

“Practice and Qualifying where quite wet, and my team mate and I had a lot of pace in practice compared to anyone else. I didn’t really nail Qualifying like I hoped, not getting a lap in when the track was best but I can still work with P4”.

In race 1, Hunter got the jump over his rivals and moved up to 2nd place in the opening lap. This then turned into a three-way fight for the win with Hunter finishing 2nd.

Starting on the front row for race 2, Hunter got a solid start holding 2nd for the opening lap before moving to the lead. This then turned into an incredible 3-way fight for the win with McElrea eventually taking another victory.

“Race two was the craziest race I have ever done. It was constant passing on every lap, I wanted the win so bad, so it feels so good!”

Race 3 was again a massively close fight between the top 3, but it threw an extra challenge to McElrea having no radio communication with the team. After dropping to 2nd on the start, and a lengthy caution period meant the racing laps were reduced. McElrea could bring home a P3 finish and secured a 2nd Place for the round.

“Overall it was a very solid weekend, I am very pleased to have gotten a win this weekend and a solid bag of points. I think I am in a very good position going into the last two rounds, I would really like to thank all my supportive sponsors, everyone at team Sonic, especially; Mick, Maria, and my mechanic Stevo”.
